Herd Bull Power in Pike County

STROWOLD FAVORITE CROWN — the impressive bull that is the senior herd sire in the A. J. Hueffner & Son herd. They are selling three sons and two daughters in this sale.

ORCHARD LEADER — the well known imported bull owned by Fairmead Farms. They sell a son and five daughters.

BEAUFORT DESTINY — another imported bull that is making a great name for Pike County Shorthorns. He heads the Marion Mackey herd. They sell one bull, four females sired by Beaufort Destiny.

TARBET FIELD MARSHAL — the great imported sire now heading the Strowold herd. From his first two calf crops have come champions and top sellers at leading Missouri events. Strowold sells two sons, three daughters of this son of Kirkton Baronet.

Nowhere in America is there located in a more concentrated area a stronger array of Shorthorn herds and herd bull power. If you are on the trail of good ones, follow the lead of some of the famous showmen and breeders in the industry who have come to the Pike County sales for top females. There is no secret about why the quality is so high . . . for eighty years the best herd bulls have been used. Pictured here are a few currently in service.

W L MAX MAJOR 18th — the powerful new herd bull at Fairmead. Their five Orchard Leader daughters sell bred to him.

HELFRED NIMROD — a bull that has made a great record in the herd of Charles Harness & Son. Three daughters, six granddaughters, three grandsons sell. See the Brown and Harness consignments.

CAMSON COCK ROBIN 9th — many consider this bull the best son of Calrossie Cock Robin to date. Stood second in a class of 21 senior bull calves at the 1952 Canadian National. Charles Harness & Son sell.

— the impressive bull that Hueffner & Son herd. They fighters in this sale.
